### Reopening & Timings for Semester III & V Students

**Dear Students,**

This is to inform you that the college will reopen for Semester III and V students of all streams from 7th July 2025.

Considering the heavy traffic and commuting challenges during the **month of Sawan**, the college will remain closed on Sundays and Mondays. To compensate for the reduced number of working days, the college hours will be extended by 45 minutes, and the new timing will be **10:00 AM to 3:45 PM**.

The Monday timetable will be adjusted accordingly, and a revised timetable will be shared with you soon.
