Call for Papers – *INDAGATION: Transdisciplinary Research Reviews (ITRR)*

(An Open Access, Double-Blind Peer-Reviewed International Journal)

About *INDAGATION: Transdisciplinary Research Reviews (ITRR)*

INDAGATION: Transdisciplinary Research Reviews (ITRR) is an annual, premier international, open-access, double-blind peer-reviewed journal dedicated to fostering academic excellence and innovation. The journal provides a global platform for researchers, academicians, and scholars to share high-quality, original research across multiple disciplines. With a commitment to rigorous peer review, ethical publishing, and unrestricted knowledge dissemination, *ITRR* facilitates intellectual exchange and scholarly advancement.

Call for Papers

Exploring Multidisciplinary Perspectives in Research and Innovation

ITRR invites researchers, academicians, and scholars to submit original, high-quality research contributions for our upcoming issue. The journal seeks to foster intellectual discourse across multiple disciplines, encouraging both theoretical and applied research. *ITRR* welcomes original research articles, review papers, short communications, and case studies in a diverse range of disciplines, including but not limited to the following themes and sub-themes.
